5.Admin Login

The screenshot shows a web browser window with the address bar displaying "localhost:8080/MyShoesP1/AdminLogin". The page content is centered and titled "Admin Login". It features two input fields: "Username : Enter Username" and "Password : Enter Password". Below these fields are two buttons: "Login" and "Change Password". At the bottom of the form, there is a checkbox labeled "Remember me" which is currently checked.

6. Four Operations Admin can do

- 
- The screenshot shows a web browser window with the address bar displaying "localhost:8080/MyShoesP1/adminLoginProcess". The page content lists four operations an admin can perform, each as a numbered link:
- 1.[Create User](#)
 - 2.[Get All users](#)
 - 3.[Get all purchase History](#)
 - 4.[Purchase report filtered by date and category](#)

7. First Operation-Create User
